To whom it May Concern ,

In addition to doing business with his Company Polish Hardwood Floors for past 5 years I'm also quite comfortable in vouching for Greg Heichel as a great individual that owns and operates a successful business.

Polish Hardwood Floors is one of the best that I have deal with. I have had a significant amount of business especially during the past 5 years and Polish Hardwood Floor is one of the Companies that I frequently call upon.

Greg maintains close communication with my Company during the job and always keeps us apprised of the job status , possible changes or improvements etc. He is readily available and a pleasure to deal with on a regular basis.

I frequently recommend Polish Hardwood Floor to clients , friends and business partners without hesitation and I gladly do so again in this letter.

Please feel free to contact me with any questions at 914 433 5644.

Sincerely

Witold Karwowski
